

PADI Specialty Training Record Altitude Diver

I verify that this student has satisfactorily completed all academic and/or any confined water training sessions as outlined in the PADI *Specialty Course Instructor Outline* for **Altitude Diver**. I am a renewed, Teaching status PADI Instructor in this specialty.

Instructor Name _____ PADI# _____

Instructor Signature _____ Completion Date _____

Open Water Dives

Dive One

I verify that this student has satisfactorily completed Dive One as outlined in the PADI standardized outline for **Altitude Diver** including:

- Descend with buddy
- Compare different depth gauges
- Reference slate/depth gauge to remain within planned depth
- Tour for pleasure
- Ascent not to exceed 9 metres/30 feet per minute with 3 minute safety stop at theoretical depth of 5 metres/15 feet

I am a renewed, Teaching status PADI Instructor in this specialty.

Instructor Name _____ PADI# _____

Instructor Signature _____ Completion Date _____

Dive Two

I verify that this student has satisfactorily completed Dive Two as outlined in the PADI standardized outline for **Altitude Diver** including:

- Descend with buddy
- Dive made as planned by student
- Reference slate/depth gauge to remain within planned depth
- Ascent not to exceed 9 metres/30 feet per minute with 3 minute safety stop at theoretical depth of 5 metres/15 feet

I am a renewed, Teaching status PADI Instructor in this specialty.

Instructor Name _____ PADI# _____

Instructor Signature _____ Completion Date _____

I verify that I have completed all performance requirements for this Altitude Diver Specialty. I am adequately prepared to dive in areas and under conditions similar to those in which I was trained. I agree to abide by PADI Standard Safe Diving Practices.

Student Name _____

Student Signature _____ Date _____

PADI Specialty Training Record Boat Diver

I verify that this student has satisfactorily completed all academic and/or any confined water training sessions as outlined in the PADI *Specialty Course Instructor Outline* for **Boat Diver**. I am a renewed, Teaching status PADI Instructor in this specialty.

Instructor Name _____ PADI# _____

Instructor Signature _____ Completion Date _____

Open Water Dives

Dive One

I verify that this student has satisfactorily completed Dive One as outlined in the PADI standardized outline for **Boat Diver** including:

- Boat diving entry
- Descend
- Dive for fun and pleasure
- Ascent, perform safety stop for 3 minutes at 5 metres/15 feet
- Boat diving exit
- Stow equipment

I am a renewed, Teaching status PADI Instructor in this specialty.

Instructor Name _____ PADI# _____

Instructor Signature _____ Completion Date _____

Dive Two

I verify that this student has satisfactorily completed Dive Two as outlined in the PADI standardized outline for **Boat Diver** including:

- Develop dive plan
- Boat diving entry
- Descend
- Dive for fun and pleasure
- Ascent, perform safety stop for 3 minutes at 5 metres/15 feet
- Boat diving exit
- Stow equipment

I am a renewed, Teaching status PADI Instructor in this specialty.

Instructor Name _____ PADI# _____

Instructor Signature _____ Completion Date _____

I verify that I have completed all performance requirements for this Boat Diver Specialty. I am adequately prepared to dive in areas and under conditions similar to those in which I was trained. I agree to abide by PADI Standard Safe Diving Practices.

Student Name _____

Student Signature _____ Date _____

PADI Specialty Training Record

Cavern Diver

I verify that this student has satisfactorily completed all academic and/or any confined water training sessions as outlined in the PADI *Specialty Course Instructor Outline* for **Cavern Diver**. I am a renewed, Teaching status PADI Instructor in this specialty.

Instructor Name _____ PADI# _____

Instructor Signature _____ Completion Date _____

Dive One

Open Water Dives

I verify that this student has satisfactorily completed Dive One as outlined in the PADI standardized outline for **Cavern Diver** including:

- Equipment check
- Complete "S" Drill
- Review dive plan
- Record time of descent
- Review line handling and reel use
- Check weighting, buoyancy control and body position
- Practice three propulsion techniques
- Explore cavern (optional)
- Exit cavern
- Perform shallow-water line drill
- Ascent, perform safety stop for 3 minutes at 5 metres/15 feet
- Exit water

I am a renewed, Teaching status PADI Instructor in this specialty.

Instructor Name _____ PADI# _____

Instructor Signature _____ Completion Date _____

Dive Two

I verify that this student has satisfactorily completed Dive Two as outlined in the PADI standardized outline for **Cavern Diver** including:

- Conduct shallow-water line course (must be completed prior to dives 3 and 4), (Optional if this skill was conducted as part of dive number one)
- Swim circuit with eyes open
- Swim circuit with eyes closed (under close instructor supervision)
- Negotiate swim circuit with buddy's eyes closed, using touch-contact communications
- Reverse roles, negotiate swim circuit with buddy's eyes closed, using touch-contact communications and while sharing air

I am a renewed, Teaching status PADI Instructor in this specialty.

Instructor Name _____ PADI# _____

Instructor Signature _____ Completion Date _____

Dive Three

I verify that this student has satisfactorily completed Dive Three as outlined in the PADI standardized outline for **Cavern Diver** including:

- Equipment check
- Perform "S" Drill
- Calculate air-turn-around point
- Review overall dive plan, record time of descent
- Perform primary tie-off
- Perform secondary tie-off
- Explore cavern
- Agree to surface
- Retrieve guideline; exit cavern
- Ascent, perform safety stop for 3 minutes at 5 metres/15 feet

I am a renewed, Teaching status PADI Instructor in this specialty.

Instructor Name _____ PADI# _____

Instructor Signature _____ Completion Date _____

Dive Four

I verify that this student has satisfactorily completed Dive Four as outlined in the PADI standardized outline for **Cavern Diver** including:

- Equipment check
- Perform "S" Drill
- Calculate air-turn-around point
- Review overall dive plan
- Perform primary tie-off
- Perform secondary tie-off
- Explore cavern
- Agree to surface
- Retrieve guideline; exit cavern
- Ascent, perform safety stop for 3 minutes at 5 metres/15 feet

I am a renewed, Teaching status PADI Instructor in this specialty.

Instructor Name _____ PADI# _____

Instructor Signature _____ Completion Date _____

I verify that I have completed all performance requirements for this Cavern Diver Specialty. I am adequately prepared to dive in areas and under conditions similar to those in which I was trained. I agree to abide by PADI Standard Safe Diving Practices.

Student Name _____

Student Signature _____ Date _____

PADI Specialty Training Record

Deep Diver

I verify that this student has satisfactorily completed all academic and/or any confined water training sessions as outlined in the PADI *Specialty Course Instructor Outline* for **Deep Diver**. I am a renewed, Teaching status PADI Instructor in this specialty.

Instructor Name _____ PADI# _____

Instructor Signature _____ Completion Date _____

Open Water Dives

Dive One

I verify that this student has satisfactorily completed Dive One as outlined in the PADI standardized outline for Deep Diver including:

- Descent down reference line
- Compare depth gauges with buddy and instructor, record data
- Perform timed task at depth
- Perform safety stop 3 minutes at 5 metres/15 feet

I am a renewed, Teaching status PADI Instructor in this specialty.

Instructor Name _____ PADI # _____

Instructor Signature _____ Completion Date _____

Dive Two

I verify that this student has satisfactorily completed Dive Two as outlined in the PADI standardized outline for Deep Diver including:

- Descent using line as a visual reference
- Navigate away from and back to reference line
- Observe pressure-affected objects
- Perform safety stop 3 minutes at 5 metres/15 feet

I am a renewed, Teaching status PADI Instructor in this specialty.

Instructor Name _____ PADI # _____

Instructor Signature _____ Completion Date _____

Dive Three

I verify that this student has satisfactorily completed Dive Three as outlined in the PADI standardized outline for **Deep Diver** including:

- Descent holding on to reference line
- Perform simulated emergency decompression stop for 8 minutes at 5 metres/15 feet. Breathe from emergency air source for at least 1 minute
- At depth, observe colored objects with/without lights

I am a renewed, Teaching status PADI Instructor in this specialty.

Instructor Name _____ PADI # _____

Instructor Signature _____ Completion Date _____

Dive Four

I verify that this student has satisfactorily completed Dive Four as outlined in the PADI standardized outline for **Deep Diver** including:

- Descent down sloping bottom or wall
- Ascent up sloping bottom or wall
- Underwater tour of the area

I am a renewed, Teaching status PADI Instructor in this specialty.

Instructor Name _____ PADI # _____

Instructor Signature _____ Completion Date _____

I verify that I have completed all performance requirements for this Deep Diver Specialty. I am adequately prepared to dive in areas and under conditions similar to those in which I was trained. I agree to abide by PADI Standard Safe Diving Practices.

Student Name _____

Student Signature _____ Date _____

PADI Specialty Training Record Drift Diver

I verify that this student has satisfactorily completed all academic and/or any confined water training sessions as outlined in the PADI *Specialty Course Instructor Outline* for **Drift Diver**. I am a renewed, Teaching status PADI Instructor in this specialty.

Instructor Name _____ PADI# _____

Instructor Signature _____ Completion Date _____

Open Water Dives

Dive One

I verify that this student has satisfactorily completed Dive One as outlined in the PADI standardized outline for **Drift Diver** including:

- Enter water using appropriate technique
- Maintain buddy awareness
- Descend in a manner to avoid unintended or destructive contact with bottom
- Follow directions of instructor or dive leader
- Execute proper ascent procedure
- Perform a safety stop for 3 minutes at 5 metres/15 feet

I am a renewed, Teaching status PADI Instructor in this specialty.

Instructor Name _____ PADI # _____

Instructor Signature _____ Completion Date _____

Dive Two

I verify that this student has satisfactorily completed Dive Two as outlined in the PADI standardized outline for **Drift Diver** including:

- Enter water using appropriate technique
- Maintain buddy awareness
- Descend in a manner to avoid unintended or destructive contact with bottom
- Estimate relative strength and direction of current
- Follow directions of instructor or dive leader
- Execute proper ascent procedure
- Perform a safety stop for 3 minutes at 5 metres/15 feet

I am a renewed, Teaching status PADI Instructor in this specialty.

Instructor Name _____ PADI # _____

Instructor Signature _____ Completion Date _____

I verify that I have completed all performance requirements for this Drift Diver Specialty. I am adequately prepared to dive in areas and under conditions similar to those in which I was trained. I agree to abide by PADI Standard Safe Diving Practices.

Student Name _____

Student Signature _____ Date _____

PADI Specialty Training Record Dry Suit Diver

I verify that this student has satisfactorily completed all academic and/or any confined water training sessions as outlined in the PADI *Specialty Course Instructor Outline* for **Dry Suit Diver**. I am a renewed, Teaching status PADI Instructor in this specialty.

Instructor Name _____ PADI# _____

Instructor Signature _____ Completion Date _____

Open Water Dives

Dive One

I verify that this student has satisfactorily completed Dive One as outlined in the PADI standardized outline for **Dry Suit Diver** including:

- Suiting up – remove excess air from dry suit
- Buoyancy check with dry suit
- Descent – watch for suit squeeze
- Neutral buoyancy – fin pivot and hovering
- Dry suit dive for fun and pleasure
- Ascent, safety stop for 3 minutes at 5 metres/15 feet
- Remove and replace scuba and weight belt on the surface

I am a renewed, Teaching status PADI Instructor in this specialty.

Instructor Name _____ PADI# _____

Instructor Signature _____ Completion Date _____

Dive Two

I verify that this student has satisfactorily completed Dive Two as outlined in the PADI standardized outline for **Dry Suit Diver** including:

- Suiting up – remove excess air from dry suit
- Controlled descent – watching for suit squeeze
- Dry suit dive for fun and pleasure
- Disconnect/reconnect low-pressure inflator hose to dry suit
- Ascent, safety stop for 3 minutes at 5 metres/15 feet

I am a renewed, Teaching status PADI Instructor in this specialty.

Instructor Name _____ PADI# _____

Instructor Signature _____ Completion Date _____

I verify that I have completed all performance requirements for this Dry Suit Diver Specialty. I am adequately prepared to dive in areas and under conditions similar to those in which I was trained. I agree to abide by PADI Standard Safe Diving Practices.

Student Name _____

Student Signature _____ Date _____

PADI Specialty Training Record

Ice Diver

I verify that this student has satisfactorily completed all academic and/or any confined water training sessions as outlined in the PADI *Specialty Course Instructor Outline* for **Ice Diver**. I am a renewed, Teaching status PADI Instructor in this specialty.

Instructor Name _____ PADI# _____

Instructor Signature _____ Completion Date _____

Open Water Dives

Dive One

I verify that this student has satisfactorily completed Dive One as outlined in the PADI standardized outline for **Ice Diver** including:

- Maintain proper buoyancy during all phases of the dive
- Monitor buddy for potential equipment malfunction and two-thirds air rule
- Acclimatization to diving under ice
- Avoid hitting ice on ascent
- Keep air supply within rule of thirds limits

I am a renewed, Teaching status PADI Instructor in this specialty.

Instructor Name _____ PADI # _____

Instructor Signature _____ Completion Date _____

Dive Two

I verify that this student has satisfactorily completed Dive Two as outlined in the PADI standardized outline for **Ice Diver** including:

- Diver A leads dive
- Dive leader keeps dive within air supply, penetration and comfort limits

I am a renewed, Teaching status PADI Instructor in this specialty.

Instructor Name _____ PADI # _____

Instructor Signature _____ Completion Date _____

Dive Three

I verify that this student has satisfactorily completed Dive Three as outlined in the PADI standardized outline for **Ice Diver** including:

- Diver B leads dive
- Dive leader keeps dive within air supply, penetration and comfort limits

I am a renewed, Teaching status PADI Instructor in this specialty.

Instructor Name _____ PADI # _____

Instructor Signature _____ Completion Date _____

Dive Four (Optional)

I verify that this student has satisfactorily completed Dive Four as outlined in the PADI standardized outline for **Ice Diver** including:

- Under-ice search for missing dive team
- Surface approach, contact, egress and hypothermia first aid for person who has fallen through the ice or into open water
- Quick retrieval of dive team

I am a renewed, Teaching status PADI Instructor in this specialty.

Instructor Name _____ PADI # _____

Instructor Signature _____ Completion Date _____

I verify that I have completed all performance requirements for this Ice Diver Specialty. I am adequately prepared to dive in areas and under conditions similar to those in which I was trained. I agree to abide by PADI Standard Safe Diving Practices.

Student Name _____

Student Signature _____ Date _____

PADI Specialty Training Record Multilevel Diver

I verify that this student has satisfactorily completed all academic and/or any confined water training sessions as outlined in the PADI *Specialty Course Instructor Outline* for **Multilevel Diver**. I am a renewed, Teaching status PADI Instructor in this specialty.

Instructor Name _____ PADI# _____

Instructor Signature _____ Completion Date _____

Open Water Dives

Dive One

I verify that this student has satisfactorily completed Dive One as outlined in the PADI standardized outline for **Multilevel Diver** including:

- Adhere to multilevel plan, maximum limits of The Wheel and/or computer (two level dive)
- Ascent at less than 18 metres/60 feet per minute
- Perform safety stop for 3 minutes at 5 metres/15 feet

I am a renewed, Teaching status PADI Instructor in this specialty.

Instructor Name _____ PADI# _____

Instructor Signature _____ Completion Date _____

Dive Two

I verify that this student has satisfactorily completed Dive Two as outlined in the PADI standardized outline for **Multilevel Diver** including:

- Adhere to multilevel plan, maximum limits of The Wheel and/or computer (three level dive)
- Ascent at less than 18 metres/60 feet per minute
- Perform safety stop for 3 minutes at 5 metres/15 feet

I am a renewed, Teaching status PADI Instructor in this specialty.

Instructor Name _____ PADI# _____

Instructor Signature _____ Completion Date _____

I verify that I have completed all performance requirements for this Multilevel Diver Specialty. I am adequately prepared to dive in areas and under conditions similar to those in which I was trained. I agree to abide by PADI Standard Safe Diving Practices.

Student Name _____

Student Signature _____ Date _____

PADI Specialty Training Record Night Diver

I verify that this student has satisfactorily completed all academic and/or any confined water training sessions as outlined in the PADI *Specialty Course Instructor Outline* for **Night Diver**. I am a renewed, Teaching status PADI Instructor in this specialty.

Instructor Name _____ PADI# _____

Instructor Signature _____ Completion Date _____

Open Water Dives

Dive One

I verify that this student has satisfactorily completed Dive One as outlined in the PADI standardized outline for **Night Diver** including:

- Assemble/position surface lighting systems
- Take compass bearing on shore/boat
- Adjust to night diving environment
- Using a compass, navigate to a predetermined location and return to within 8 metres/25 feet of starting point
- Tour immediate underwater area

I am a renewed, Teaching status PADI Instructor in this specialty.

Instructor Name _____ PADI # _____

Instructor Signature _____ Completion Date _____

Dive Two

I verify that this student has satisfactorily completed Dive Two as outlined in the PADI standardized outline for **Night Diver** including:

- Assemble/position surface lighting systems
- Take compass bearing on shore/boat
- Adjust to night diving environment
- Tour underwater area, note nocturnal aquatic life and return to shore/boat using compass

I am a renewed, Teaching status PADI Instructor in this specialty.

Instructor Name _____ PADI # _____

Instructor Signature _____ Completion Date _____

Dive Three

I verify that this student has satisfactorily completed Dive Three as outlined in the PADI standardized outline for **Night Diver** including:

- Assemble/position surface lighting systems
- Take a compass bearing on shore/boat
- Lights out for 3 minutes in stationary position on the bottom
- Students continue dive and return to shore/boat with at least 35bar/500psi

I am a renewed, Teaching status PADI Instructor in this specialty.

Instructor Name _____ PADI # _____

Instructor Signature _____ Completion Date _____

I verify that I have completed all performance requirements for this Night Diver Specialty. I am adequately prepared to dive in areas and under conditions similar to those in which I was trained. I agree to abide by PADI Standard Safe Diving Practices.

Student Name _____

Student Signature _____ Date _____

PADI Specialty Training Record

Peak Performance Buoyancy

I verify that this student has satisfactorily completed all academic and/or any confined water training sessions as outlined in the PADI *Specialty Course Instructor Outline* for **Peak Performance Buoyancy**. I am a renewed, Teaching status PADI Instructor in this specialty.

Instructor Name _____ PADI# _____

Instructor Signature _____ Completion Date _____

Open Water Dives

Dive One

I verify that this student has satisfactorily completed Dive One as outlined in the PADI standardized outline for **Peak Performance Buoyancy** including:

- Assemble weight system using PADI's "Basic Weighting Guidelines"
- Visualization practice
- Hovering
- Peak Performance Buoyancy Game (pool/confined water/open water)

I am a renewed, Teaching status PADI Instructor in this specialty.

Instructor Name _____ PADI# _____

Instructor Signature _____ Completion Date _____

Dive Two

I verify that this student has satisfactorily completed Dive Two as outlined in the PADI standardized outline for **Peak Performance Buoyancy** including:

- Demonstrate efficient fin kick
- Avoid all contact with bottom
- Practice hovering without kicking or hand movement
- While hovering, practice making minor depth adjustments
- Maneuver close to bottom without touching it and back away using neutral buoyancy

I am a renewed, Teaching status PADI Instructor in this specialty.

Instructor Name _____ PADI# _____

Instructor Signature _____ Completion Date _____

I verify that I have completed all performance requirements for this Peak Performance Buoyancy Specialty. I am adequately prepared to dive in areas and under conditions similar to those in which I was trained. I agree to abide by PADI Standard Safe Diving Practices.

Student Name _____

Student Signature _____ Date _____

PADI Specialty Training Record

Search and Recovery

I verify that this student has satisfactorily completed all academic and/or any confined water training sessions as outlined in the PADI *Specialty Course Instructor Outline* for **Search and Recovery**. I am a renewed, Teaching status PADI Instructor in this specialty.

Instructor Name _____ PADI# _____

Instructor Signature _____ Completion Date _____

Open Water Dives

Dive One

I verify that this student has satisfactorily completed Dive One as outlined in the PADI standardized outline for **Search and Recovery** including:

- Search for small object in 76 square metre/250 square feet area using circular/rope search pattern
- Search for larger object in 304 square metre/1000 square feet area using "U" pattern
- Recover object using lift bag

I am a renewed, Teaching status PADI Instructor in this specialty.

Instructor Name _____ PADI # _____

Instructor Signature _____ Completion Date _____

Dive Two

I verify that this student has satisfactorily completed Dive Two as outlined in the PADI standardized outline for **Search and Recovery** including:

- Search for object in 304 square metre/1000 square feet area using expanding square pattern
- Recover object weighing 11kgs/25lbs to 23kgs/50lb using lift bag
- Return recovered object to shore or boat
- Continue dive for fun and experience

I am a renewed, Teaching status PADI Instructor in this specialty.

Instructor Name _____ PADI # _____

Instructor Signature _____ Completion Date _____

Dive Three

I verify that this student has satisfactorily completed Dive Three as outlined in the PADI standardized outline for **Search and Recovery** including:

- Search for object in 304 square metre/1000 square feet area using the jackstay pattern
- Recover object weighing 23kgs/50lb to 45kgs/100lbs using lift bag
- Return recovered object to shore or boat
- Continue dive for fun and experience

I am a renewed, Teaching status PADI Instructor in this specialty.

Instructor Name _____ PADI # _____

Instructor Signature _____ Completion Date _____

Dive Four

I verify that this student has satisfactorily completed Dive Four as outlined in the PADI standardized outline for **Search and Recovery** including:

- Interview Instructor about "lost" object.
- Organize, plan and conduct search and recovery dive with buddy
- Return recovered object to shore or boat
- Continue dive for fun and experience

I am a renewed, Teaching status PADI Instructor in this specialty.

Instructor Name _____ PADI # _____

Instructor Signature _____ Completion Date _____

I verify that I have completed all performance requirements for this Search and Recovery specialty. I am adequately prepared to dive in areas and under conditions similar to those in which I was trained. I agree to abide by PADI Standard Safe Diving Practices.

Student Name _____

Student Signature _____ Date _____

PADI Specialty Training Record Underwater Naturalist

I verify that this student has satisfactorily completed all academic and/or any confined water training sessions as outlined in the PADI *Specialty Course Instructor Outline* for **Underwater Naturalist**. I am a renewed, Teaching status PADI Instructor in this specialty.

Instructor Name _____ PADI# _____

Instructor Signature _____ Completion Date _____

Open Water Dives

Dive One

I verify that this student has satisfactorily completed Dive One as outlined in the PADI standardized outline for **Underwater Naturalist** including:

- Apply diving techniques to preserve bottom-dwelling organisms and minimize disturbance of all aquatic life
- Locate and identify at least two local aquatic plants
- Locate and identify at least four local aquatic invertebrate animals
- Locate and identify at least five local aquatic vertebrate animals

I am a renewed, Teaching status PADI Instructor in this specialty.

Instructor Name _____ PADI# _____

Instructor Signature _____ Completion Date _____

Dive Two

I verify that this student has satisfactorily completed Dive Two as outlined in the PADI standardized outline for **Underwater Naturalist** including:

- Apply diving techniques to preserve bottom-dwelling organisms and minimize disturbance of all aquatic life
- Identify and observe symbiotic and predator/prey relationships
- Locate indications of impact by man on the dive site and evaluate the possible cause

I am a renewed, Teaching status PADI Instructor in this specialty.

Instructor Name _____ PADI# _____

Instructor Signature _____ Completion Date _____

I verify that I have completed all performance requirements for this Underwater Naturalist Specialty. I am adequately prepared to dive in areas and under conditions similar to those in which I was trained. I agree to abide by PADI Standard Safe Diving Practices.

Student Name _____

Student Signature _____ Date _____

PADI Specialty Training Record

Underwater Navigator

I verify that this student has satisfactorily completed all academic and/or any confined water training sessions as outlined in the PADI *Specialty Course Instructor Outline* for **Underwater Navigator**. I am a renewed, Teaching status PADI Instructor in this specialty.

Instructor Name _____ PADI# _____

Instructor Signature _____ Completion Date _____

Open Water Dives

Dive One

I verify that this student has satisfactorily completed Dive One as outlined in the PADI standardized outline for **Underwater Navigator** including:

- Land practice with compass
- Distance/Time-Estimation swim
- Navigate straight-line/reciprocal underwater using natural navigation techniques
- Navigate straight-line/reciprocal underwater using a compass
- Navigate a square pattern underwater using a compass

I am a renewed, Teaching status PADI Instructor in this specialty.

Instructor Name _____ PADI # _____

Instructor Signature _____ Completion Date _____

Dive Two

I verify that this student has satisfactorily completed Dive Two as outlined in the PADI standardized outline for **Underwater Navigator** including:

- Land practice with compass and instructor provided navigation pattern
- Multiple-leg compass course (five or more heading changes), return to within 15 metres/50 feet of the starting point
- Fix a specific underwater location

I am a renewed, Teaching status PADI Instructor in this specialty.

Instructor Name _____ PADI # _____

Instructor Signature _____ Completion Date _____

Dive Three

I verify that this student has satisfactorily completed Dive Three as outlined in the PADI standardized outline for **Underwater Navigator** including:

- Land practice with compass
- Navigate a course underwater following marker headings (five or more heading changes)
- Map the marked course on a grid slate
- Relocate dive site from dive two (optional task)

I am a renewed, Teaching status PADI Instructor in this specialty.

Instructor Name _____ PADI # _____

Instructor Signature _____ Completion Date _____

I verify that I have completed all performance requirements for this Underwater Navigator Specialty. I am adequately prepared to dive in areas and under conditions similar to those in which I was trained. I agree to abide by PADI Standard Safe Diving Practices.

Student Name _____

Student Signature _____ Date _____

PADI Specialty Training Record Underwater Photographer

I verify that this student has satisfactorily completed all academic and/or any confined water training sessions as outlined in the PADI *Specialty Course Instructor Outline* for **U/W Photographer**. I am a renewed, Teaching status PADI Instructor in this specialty.

Instructor Name _____ PADI# _____

Instructor Signature _____ Completion Date _____

Open Water Dives

Dive One

I verify that this student has satisfactorily completed Dive One as outlined in the PADI standardized outline for **U/W Photographer** including:

- Prepare and assemble underwater camera
- Take pictures of aquatic life

I am a renewed, Teaching status PADI Instructor in this specialty.

Instructor Name _____ PADI# _____

Instructor Signature _____ Completion Date _____

Dive Two

I verify that this student has satisfactorily completed Dive Two as outlined in the PADI standardized outline for **U/W Photographer** including:

- Prepare and assemble underwater camera
- Take pictures of dive buddy

I am a renewed, Teaching status PADI Instructor in this specialty.

Instructor Name _____ PADI# _____

Instructor Signature _____ Completion Date _____

I verify that I have completed all performance requirements for this Underwater Photographer Specialty. I am adequately prepared to dive in areas and under conditions similar to those in which I was trained. I agree to abide by PADI Standard Safe Diving Practices.

Student Name _____

Student Signature _____ Date _____

PADI Specialty Training Record

Wreck Diver

I verify that this student has satisfactorily completed all academic and/or any confined water training sessions as outlined in the PADI *Specialty Course Instructor Outline* for **Wreck Diver**. I am a renewed, Teaching status PADI Instructor in this specialty.

Instructor Name _____ PADI# _____

Instructor Signature _____ Completion Date _____

Open Water Dives

Dive One

I verify that this student has satisfactorily completed Dive One as outlined in the PADI standardized outline for **Wreck Diver** including:

- Navigate wreck
- Control buoyancy and avoid stirring bottom silt
- Return to ascent point
- Perform safety stop for 3 minutes at 5 metres/15 feet

I am a renewed, Teaching status PADI Instructor in this specialty.

Instructor Name _____ PADI # _____

Instructor Signature _____ Completion Date _____

Dive Two

I verify that this student has satisfactorily completed Dive Two as outlined in the PADI standardized outline for **Wreck Diver** including:

- Explore Wreck
- Map wreck
- Penetration assessment – locating potential entry points
- Return to ascent point
- Perform safety stop for 3 minutes at 5 metres/15 feet

I am a renewed, Teaching status PADI Instructor in this specialty.

Instructor Name _____ PADI # _____

Instructor Signature _____ Completion Date _____

Dive Three

I verify that this student has satisfactorily completed Dive Three as outlined in the PADI standardized outline for **Wreck Diver** including:

- Deploy penetration line on outside of wreck
- Swim along penetration line with light without kicking up silt
- Retrieve penetration line from outside of wreck
- Navigate to ascent point
- Perform safety stop for 3 minutes at 5 metres/15 feet

I am a renewed, Teaching status PADI Instructor in this specialty.

Instructor Name _____ PADI # _____

Instructor Signature _____ Completion Date _____

Dive Four A or Four B

I verify that this student has satisfactorily completed Dive Four as outlined in the PADI standardized outline for **Wreck Diver** including:

- 4A** • Find penetration entry point
- Deploy penetration line into wreck
- Penetrate wreck to safe limits
- Retrieve penetration line and exit wreck
- Navigate to ascent point
- Perform safety stop for 3 minutes at 5 metres/15 feet

- 4B** • Have students organize and conduct their own wreck dive
- Navigate to ascent point
- Perform safety stop for 3 minutes at 5 metres/15 feet

I am a renewed, Teaching status PADI Instructor in this specialty.

Instructor Name _____ PADI # _____

Instructor Signature _____ Completion Date _____

I verify that I have completed all performance requirements for this Wreck Diver Specialty. I am adequately prepared to dive in areas and under conditions similar to those in which I was trained. I agree to abide by PADI Standard Safe Diving Practices.

Student Name _____

Student Signature _____ Date _____

PADI Specialty Training Record

Underwater Videographer

I verify that this student has satisfactorily completed the academic performance requirements as outlined in Presentation 1 of the standardized PADI **Underwater Videographer** Specialty course outline. I am a renewed, Teaching status PADI Instructor in this specialty.

Instructor Name _____ PADI# _____

Instructor Signature _____ Completion Date _____

Dive One

Skills Overview

- Video system preparation
- Shooting with video system: standing, sitting, kneeling, lying, swimming, holding steady, staying close to subjects, using upward angle, holding takes, camera motion slow and steady, checking depth, time, air supply and location frequently, maintaining proper buoyancy.
- Video system disassembly
- Debriefing and review video

I verify that this student has satisfactorily completed Video Training Dive One as outlined in the standardized PADI **Underwater Videographer** Specialty course outline. I am a renewed, Teaching status PADI Instructor in this specialty.

Instructor Name _____ PADI# _____

Instructor Signature _____ Completion Date _____

I verify that this student has satisfactorily completed the academic performance requirements as outlined in Presentation 2 of the standardized PADI **Underwater Videographer** Specialty course outline. I am a renewed, Teaching status PADI Instructor in this specialty.

Instructor Name _____ PADI# _____

Instructor Signature _____ Completion Date _____

Dive Two

Skills Overview

- Shooting with video system: shot sequence, pan, tilt, dolly, truck, follow, lead.
- Video system disassembly
- Debriefing and review video

I verify that this student has satisfactorily completed Video Training Dive Two as outlined in the standardized PADI **Underwater Videographer** Specialty course outline. I am a renewed, Teaching status PADI Instructor in this specialty.

Instructor Name _____ PADI# _____

Instructor Signature _____ Completion Date _____

I verify that this student has satisfactorily completed the academic performance requirements as outlined in Presentation 3 of the standardized PADI **Underwater Videographer** Specialty course outline. I am a renewed, Teaching status PADI Instructor in this specialty.

Instructor Name _____ PADI# _____

Instructor Signature _____ Completion Date _____

Dive Three

Skills Overview

- Developing video story line
- Video system preparation
- Shooting planned story line sequences with video system (all students should shoot video sequences)
- Video system disassembly
- Debriefing and review video

I verify that this student has satisfactorily completed Video Training Dive Three as outlined in the standardized PADI **Underwater Videographer** Specialty course outline. I am a renewed, Teaching status PADI Instructor in this specialty.

Instructor Name _____ PADI# _____

Instructor Signature _____ Completion Date _____

PADI Specialty Training Record

Enriched Air Diver

I verify that this student has satisfactorily completed all knowledge development training sessions and the Final Exam as outlined in the PADI **Enriched Air Diver** Specialty Course Instructor Outline. I am a renewed, Teaching status PADI Instructor in this specialty.

Instructor Name _____ PADI# _____

Instructor Signature _____ Completion Date _____

Practical Application 1

I verify that this student has satisfactorily completed the Practical Application Session as outlined in the PADI **Enriched Air Diver** Specialty Course Instructor Outline including:

- Oxygen analysis
- Verifying cylinder content data
- Signing fill log

I am a renewed, Teaching status PADI Instructor in this specialty.

Instructor Name _____ PADI# _____

Instructor Signature _____ Completion Date _____

Practical Application 2

I verify that this student has satisfactorily completed the Practical Application Session as outlined in the PADI **Enriched Air Diver** Specialty Course Instructor Outline including:

- Demonstrate the procedures for obtaining an enriched air fill and/or renting an enriched air cylinder from an enriched air fill station

I am a renewed, Teaching status PADI Instructor in this specialty.

Instructor Name _____ PADI# _____

Instructor Signature _____ Completion Date _____

Open Water Dives

Dive One

I verify that this student has satisfactorily completed Dive One as outlined in the PADI **Enriched Air Diver** Specialty Course Instructor Outline including:

- Execute a dive within the no stop limits, maximum depth and oxygen exposure limits established by the instructor during pre-dive planning
- Perform safety stop at 5 metres/15 feet
- Return to ascent point
- Calculate repetitive group and oxygen exposure at end of dive (if a repetitive dive will be made)

I am a renewed, Teaching status PADI Instructor in this specialty.

Instructor Name _____ PADI# _____

Instructor Signature _____ Completion Date _____

Dive Two

I verify that this student has satisfactorily completed Dive Two as outlined in the PADI **Enriched Air Diver** Specialty Course Instructor Outline including:

- Plan an enriched air dive using the RDP, DSAT Equivalent Air Depth and Oxygen Exposure Tables and Enriched Air RDPs
- Analyze enriched air
- Execute the planned dive within the limits determined during the dive plan
- Perform safety stop at 5 metres/15 feet
- Calculate repetitive group and oxygen exposure at end of dive

I am a renewed, Teaching status PADI Instructor in this specialty.

Instructor Name _____ PADI# _____

Instructor Signature _____ Completion Date _____

I verify that I have completed all performance requirements for this PADI **Enriched Air Diver** specialty course. I am adequately prepared to dive in areas and under conditions similar to those in which I was trained. I agree to abide by PADI Standard Safe Diving Practices.

Diver Name _____

Diver Signature _____ Date _____

PADI Specialty Training Record Diver Propulsion Vehicle (DPV) Diver

I verify that this student has satisfactorily completed all academic and/or any confined water training sessions as outlined in the PADI *Specialty Course Instructor Outline* for **Diver Propulsion Vehicle (DPV)**. I am a renewed, Teaching status PADI Instructor in this specialty.

Instructor Name _____ PADI# _____

Instructor Signature _____ Completion Date _____

Open Water Dives

Dive One

I verify that this student has satisfactorily completed Dive One as outlined in the PADI standardized outline for **Diver Propulsion Vehicle** including:

- Preparation and post-dive maintenance of a DPV
- Effective entry and exit, as well as descents and ascents, with a DPV
- Operation of a DPV on the surface
- Operation and maneuvering a DPV underwater while maintaining buddy contact

I am a renewed, Teaching status PADI Instructor in this specialty.

Instructor Name _____ PADI# _____

Instructor Signature _____ Completion Date _____

Dive Two

I verify that this student has satisfactorily completed Dive Two as outlined in the PADI standardized outline for **Diver Propulsion Vehicle** including:

- Planning and executing a dive using a DPV following appropriate procedures and safety guidelines

I am a renewed, Teaching status PADI Instructor in this specialty.

Instructor Name _____ PADI# _____

Instructor Signature _____ Completion Date _____

I verify that I have completed all performance requirements for this **Diver Propulsion Vehicle (DPV) Diver** Specialty. I am adequately prepared to dive in areas and under conditions similar to those in which I was trained. I agree to abide by PADI Standard Safe Diving Practices.

Student Name _____

Student Signature _____ Date _____

PADI Specialty Training Record

AWARE - Fish Identification Diver

I verify that this student has satisfactorily completed all academic and/or any confined water training sessions as outlined in the PADI <i>Specialty Course Instructor Outline</i> for AWARE - Fish Identification . I am a renewed, Teaching status PADI Instructor in this specialty.	
Instructor Name _____	PADI# _____
Instructor Signature _____	Completion Date _____

Open Water Dives

Dive One

I verify that this student has satisfactorily completed Dive One as outlined in the PADI standardized outline for **AWARE - Fish Identification** including:

- Identifying fish by placing them in appropriate family groupings
- Recording fish sightings
- Drawing diagrams of unfamiliar fish for later identification
- Demonstrating responsible diving practices to minimize negative environmental effects

I am a renewed, Teaching status PADI Instructor in this specialty.

Instructor Name _____	PADI # _____
Instructor Signature _____	Completion Date _____

Dive Two

I verify that this student has satisfactorily completed Dive Two as outlined in the PADI standardized outline for **AWARE - Fish Identification** including:

- Planning and executing a dive using appropriate fish surveying techniques

I am a renewed, Teaching status PADI Instructor in this specialty.

Instructor Name _____	PADI # _____
Instructor Signature _____	Completion Date _____

I verify that I have completed all performance requirements for this AWARE - Fish Identification Diver Specialty. I am adequately prepared to dive in areas and under conditions similar to those in which I was trained. I agree to abide by PADI Standard Safe Diving Practices.	
Student Name _____	
Student Signature _____	Date _____

PADI Specialty Training Record

Dolphin/Atlantis Semiclosed Rebreather Diver

I verify that this student diver has satisfactorily completed all knowledge development sessions as outlined in the PADI *Specialty Course Instructor Outline* for the **Semiclosed Rebreather Course — Dolphin/Atlantis**. I am a renewed, Teaching status PADI Instructor in this specialty.

Instructor Name _____ PADI # _____

Instructor Signature _____ Completion Date _____

Confined Water Dive

I verify that this student has satisfactorily completed the required confined water dive as outlined in the PADI standardized outline for the **Semiclosed Rebreather Course — Dolphin/Atlantis** including:

- Demonstrate GGG step
- Establish proper weighting
- Bag purge
- Demonstrate one way valve check
- Underwater bubble check
- Buoyancy control
- Set exhalation bag overpressure valve
- Switch to and from bailout system
- Reduce counterlung volume

I am a renewed, Teaching status PADI Instructor in this specialty.

Instructor Name _____ PADI # _____

Instructor Signature _____ Completion Date _____

Open Water Dives

Dive One

I verify that this student has satisfactorily completed Dive One as outlined in the PADI standardized outline for the **Semiclosed Rebreather Course — Dolphin/Atlantis** including:

- Unit setup and check
- Perform underwater leak check
- Bag purge and ascent
- Pre-dive purge and GGG step
- Monitor SPG and oxygen sensor
- Find pressure group/O₂ exposure
- Adjust weight/breathing loop volume
- Switch to and from bailout system
- Post dive maintenance/unit care

I am a renewed, Teaching status PADI Instructor in this specialty.

Instructor Name _____ PADI # _____

Instructor Signature _____ Completion Date _____

Dive Two

I verify that this student has satisfactorily completed Dive Two as outlined in the PADI standardized outline for the **Semiclosed Rebreather Course — Dolphin/Atlantis** including:

- Unit setup and check
- Perform underwater leak check
- Bag purge and ascent
- Pre-dive purge and GGG step
- Monitor SPG and oxygen sensor
- Find pressure group/O₂ exposure
- Adjust weight/breathing loop volume
- Switch to and from bailout system
- Post dive maintenance/unit care

I am a renewed, Teaching status PADI Instructor in this specialty.

Instructor Name _____ PADI # _____

Instructor Signature _____ Completion Date _____

Dive Three

I verify that this student has satisfactorily completed Dive Three as outlined in the PADI standardized outline for the **Semiclosed Rebreather Course — Dolphin/Atlantis** including:

- Unit setup and check
- Perform underwater leak check
- Bag purge and ascent
- Pre-dive purge and GGG step
- Monitor SPG and oxygen sensor
- Find pressure group/O₂ exposure
- Adjust weight/breathing loop volume
- Switch to and from bailout system
- Post dive maintenance/unit care

I am a renewed, Teaching status PADI Instructor in this specialty.

Instructor Name _____ PADI # _____

Instructor Signature _____ Completion Date _____

I verify that I have completed all performance requirements for the **Dolphin/Atlantis Semiclosed Rebreather Specialty Diver Course**. I am adequately prepared to dive in areas and under conditions similar to those in which I was trained. I agree to abide by PADI Standard Safe Diving Practices.

Diver Name _____

Diver Signature _____ Date _____

PADI Specialty Training Record

Ray Semiclosed Rebreather Diver

I verify that this student diver has satisfactorily completed all knowledge development sessions as outlined in the PADI *Specialty Course Instructor Outline* for the **Semiclosed Rebreather Course — Ray**.

I am a renewed, Teaching status PADI Instructor in this specialty.

Instructor Name _____ PADI # _____

Instructor Signature _____ Completion Date _____

Confined Water Dive

I verify that this student has satisfactorily completed the required confined water dive as outlined in the PADI standardized outline for the **Semiclosed Rebreather Course — Ray** including:

- Demonstrate GGG step
- Establish proper weighting
- Bag purge
- Demonstrate one way valve check
- Underwater bubble check
- Buoyancy control
- Set exhalation bag overpressure valve
- Switch to and from bailout system
- Reduce counterlung volume

I am a renewed, Teaching status PADI Instructor in this specialty.

Instructor Name _____ PADI # _____

Instructor Signature _____ Completion Date _____

Open Water Dives

Dive One

I verify that this student has satisfactorily completed Dive One as outlined in the PADI standardized outline for the **Semiclosed Rebreather Course — Ray** including:

- Unit setup and check
- Perform underwater leak check
- Bag purge and ascent
- Pre-dive purge and GGG step
- Monitor SPG and oxygen sensor
- Find pressure group/O₂ exposure
- Adjust weight/breathing loop volume
- Switch to and from bailout system
- Post dive maintenance/unit care

I am a renewed, Teaching status PADI Instructor in this specialty.

Instructor Name _____ PADI # _____

Instructor Signature _____ Completion Date _____

Dive Two

I verify that this student has satisfactorily completed Dive Two as outlined in the PADI standardized outline for the **Semiclosed Rebreather Course — Ray** including:

- Unit setup and check
- Perform underwater leak check
- Bag purge and ascent
- Pre-dive purge and GGG step
- Monitor SPG and oxygen sensor
- Find pressure group/O₂ exposure
- Adjust weight/breathing loop volume
- Switch to and from bailout system
- Post dive maintenance/unit care

I am a renewed, Teaching status PADI Instructor in this specialty.

Instructor Name _____ PADI # _____

Instructor Signature _____ Completion Date _____

Dive Three

I verify that this student has satisfactorily completed Dive Three as outlined in the PADI standardized outline for the **Semiclosed Rebreather Course — Ray** including:

- Unit setup and check
- Perform underwater leak check
- Bag purge and ascent
- Pre-dive purge and GGG step
- Monitor SPG and oxygen sensor
- Find pressure group/O₂ exposure
- Adjust weight/breathing loop volume
- Switch to and from bailout system
- Post dive maintenance/unit care

I am a renewed, Teaching status PADI Instructor in this specialty.

Instructor Name _____ PADI # _____

Instructor Signature _____ Completion Date _____

I verify that I have completed all performance requirements for the **Ray Semiclosed Rebreather Specialty Diver Course**. I am adequately prepared to dive in areas and under conditions similar to those in which I was trained. I agree to abide by PADI Standard Safe Diving Practices.

Diver Name _____

Diver Signature _____ Date _____

PADI Specialty Training Record

Digital Underwater Photographer — Level One

Knowledge Development

I verify that this student has satisfactorily completed the knowledge development requirements for Level One as outlined in the PADI Digital Underwater Photographer Specialty Course Instructor Outline. I am a renewed, Teaching/Active status PADI Instructor in this specialty.

Digital Photography Workflow Workshop

I verify that this student has satisfactorily completed the Digital Photography Workflow Workshop as outlined in the PADI Digital Underwater Photographer Specialty Course Instructor Outline. I am a renewed, Teaching/Active status PADI Instructor in this specialty

Instructor Name _____ PADI No. _____

Instructor Signature _____ Completion Date _____

Digital Photo Dive Two

Skills Overview

- Independently assemble and test camera equipment prior to the dive.
- Enter the water safely wearing snorkeling or scuba equipment in a manner that protects the camera system from damage.
- Dive with an underwater photo system demonstrating care for the environment and techniques that avoid damaging it.
- Practice getting proper exposure, contrast and sharpness by using and controlling (as appropriate to the camera system) shutter, aperture, EV control, focus and flash.
- Practice getting good color by using (as appropriate to the camera system) white balance, flash, filters and wide angle lenses.
- Practice composition through choice of subject, subject positioning, negative space and other compositional elements.
- Demonstrate use of the PADI SEA Method by using the LCD monitor and/or histogram to evaluate exposure, sharpness and composition.
- At the end of the dive, exit the water safely in a manner that protects the camera system from damage.

I verify that this student has satisfactorily completed Dive Two as outlined in the PADI Digital Underwater Photographer Specialty Course Instructor Outline. I am a renewed, Teaching/Active status PADI Instructor in this specialty.

Instructor Name _____ PADI No. _____

Instructor Signature _____ Completion Date _____

I verify that I have completed all performance requirements for this Digital Underwater Photographer Specialty. I am adequately prepared to dive in areas and under conditions similar to those in which I was trained. I agree to abide by PADI Standard Safe Diving Practices.

Student Name _____

Student Signature _____ Date _____
